

# Rediscover the wonder of sound.

Your well-being is always top of mind in our practice. It's our mission to make sure you're connected to the beauty of sound. Recently, a new hearing technology has been introduced that has hearing aid wearers rediscovering the wonder of sound. After learning more about this latest technology, we know it would truly benefit you.

Our ability to hear all the nuances of our sound environment is such an integral part of our existence. Being able to hear well adds to our sense of connection and engagement which ultimately contributes to our overall well-being.

Introducing **Phonak Audéo™ Paradise** hearing aids. The **world's first** hearing aid with a motion sensor, speech enhancement, tap control and universal Bluetooth® connectivity.

Phonak has taken nature as inspiration when creating Paradise. The intention is simple – to create hearing aids that deliver crisp, natural sound for you to enjoy the wonders of the world as they should be heard.

**Rediscover the joy of communication with friends, colleagues and loved ones. Rediscover the wonder of sound.**

- **Unrivaled sound quality**
- **Personalized noise canceling**
- **Universal connectivity to iOS®, Android™ and billions of Bluetooth devices**
- **New Tap Control for easy access to Bluetooth functions**

Combine that with a powerful rechargeable battery and smartphone/TV connectivity – all in one device. All these added features allow you to enjoy the wonders of sound as they should be heard.

For a limited time, you're invited to come back to our office and try Phonak Audéo Paradise risk-free and experience the wonder of sound for yourself. Give us a call to schedule your safe, in-person visit and to test out the latest in hearing technology today.

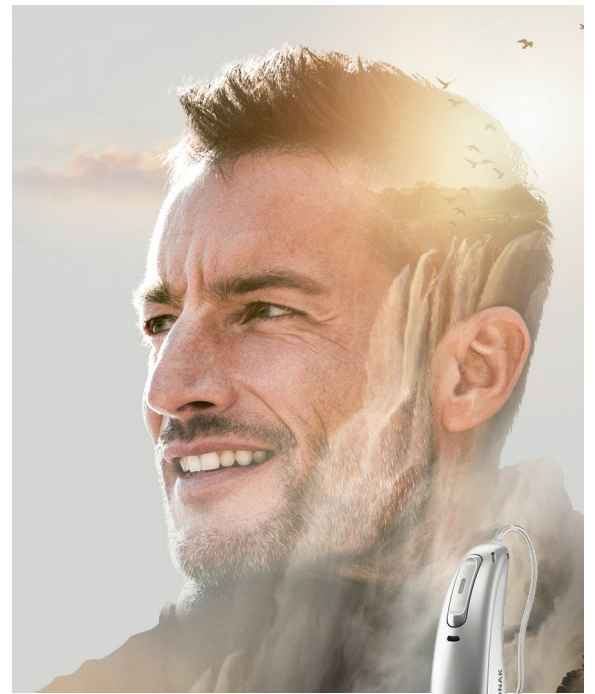

Sincerely,

*Gary A. Cote'*
